## INSPIREONE EXPANDS ADVISORY BOARD WITH ANOTHER DISTINGUISHED MEMBER

### General Mohinder Puri, former Deputy Chief of Army Staff is the newest member of the InspireOne Advisory Board

**New Delhi, December 28, 2009:** General Mohinder Puri has joined the advisory board of InspireOne Consultants to guide the future direction of the company and provide his strategic expertise to the business.

As a member of the Board, he will not only bring a strong leadership focus to the company from the institution building perspective, but also enhance value for customers through strategic consulting.

Deepak Mohla, Managing Director, InspireOne said on the occasion, “Gen. Puri epitomizes leadership and his experience in the army is of great interest to our business. A lot of learning can be drawn for the corporate world from his domain. His leadership experiences in the army are valuable and he will be supporting us in transferring that learning to our customers. For our clients, it also means he would be interacting with them for consulting assignments, even engaging in senior level individual coaching and mentoring. We look forward to having him direct us in our future endeavors.”

General Puri comes from a distinguished professional background in the Indian Army. As former Deputy *Chief of the Army Staff* (Information Systems and training), he has directly managed a Rs. 300 crore budget annually for implementing the IT roadmap for the Army; managed all activities related to training, induction and conduct of peacekeeping activities by Indian Army Contingents under the UN charter; planned and conducted defense cooperation in training with foreign countries such as USA, West European, Asian and African continents.

The highlight of his tenure with the Indian Army was his position as the **General Officer Commanding 8 Mountain Division to spearhead the Nation’s response to Pakistani intrusion in Kargil** leading to historic win by recapturing Tiger Hill, Tololing and other heights in Kargil despite overwhelming operational, time and resource constraints. The operations entailed management of over thirty thousand personnel, and arms and equipment worth thousands of crores managed optimally leading to national glory.

On his joining, Gen Puri says, “the pleasure and honour of joining InspireOne is entirely mine and I look forward to an excellent innings with the team”.

His honors and awards include:

**PARAM VISHISHT SEWA MEDAL** for distinguished service of an exceptional order during his tenure as Military Secretary at the Army Headquarters.

**UTTAM YUDH SEWA MEDAL** for distinguished leadership of a very high order during active operations (OPERATION VIJAY– Kargil Operations).
